"HONG KONG STREETATHON @Kowloon" & "Rotary Hong Kong Ultramarathon 2018"

Road King has always been committed to contributing to various social charitable events. On 25th February and 4th March, two consecutive Sundays, colleagues from Hong Kong and Shenzhen headquarters participated in "HONG KONG STREETATHON @Kowloon" hosted by social enterprise "RunOurCity", and "Rotary Hong Kong Ultramarathon 2018" hosted by Non-Profit Organisation "Rotary International District 3450". Both events are fundraised to help the disadvantaged in society via marathon race.

In the "HONG KONG STREETATHON @ Kowloon" held on 25th February, colleagues from the Hong Kong headquarters participated in 10KM and half marathon races respectively. Our Chairman Mr. William Zen showed his support by participating in the 10KM race and by cheering for colleagues participating in the race personally.

In the "Rotary Hong Kong Ultramarathon 2018" held on 4th March, 16 colleagues from the Hong Kong and Shenzhen headquarters divided into two corporate relay teams to participate. Living and experiencing the spirit of teamwork, both teams joined effort to finish their 50 KM for the first time.
